

**Division of Licensing
Medical Board of California
Special Programs
Specific Language**

1. Adopt section 1315.03 in Article 4.1 of Chapter 1, Division 13, to read as follows:

1315.03. Criteria for Eligibility to Participate in Review Committee

(a) In order to be considered for appointment to the review committee required by

Section 2168.1 of the code, a medical school representative shall:

(1) Be a senior administrator designated by the dean of the medical school.

(2) Possess a current valid physician's and surgeon's certificate in California.

(3) Be involved in and knowledgeable about graduate medical education and the
academic review process.

(4) Submit a current curriculum vitae.

(b) The committee members shall serve at the pleasure of the Division.

NOTE: Authority cited: Section 2018, Business and Professions Code. Reference:
Sections 2005 and 2168.1, Business and Professions Code.

2. Amend section 1325.4 to read as follows:

1325.4. Section 2111—Criteria for Approval of Foreign Trained Physicians for
Postgraduate Study in Approved Medical Schools.

(a) Application. Pursuant to Section 2111 of the code, a foreign trained physician
who seeks postgraduate study in a medical school approved by the Division shall
submit a written application which includes:

(1) The applicant's name, including all names used, address, telephone number,
date and place of birth, e-mail address (if available), and photograph.

~~(4)~~(2) Documentation of an appointment from the dean of the medical school showing that the applicant will be permitted to participate in the professional activities of the ~~school~~ department or division to which the applicant is appointed.

(3) Documentation that the requirements of Section 2111(a) and (b)(1) of the code have been met and that the applicant is not subject to denial under Section 480 of the code.

~~(2)~~(4) A statement from the chairperson of the department where the ~~physician applicant~~ will be serving which indicates the clinical duties which will be assigned the applicant and which states that the applicant will be ~~under a designated supervisor who is a licensed physician~~ supervised by a licensed physician who is a faculty member not classified as clinical volunteer faculty or as adjunct faculty and who is on the staff of the medical school's medical center at which the applicant will be participating in clinical or research activities.

(5) A certification under penalty of perjury as to the contents of the application and any attachments thereto, signed and dated by the applicant and by the dean of the medical school.

(6) The fee specified in section 1351.1.

(b) Countersignature for Orders. All orders made by ~~the~~ a physician approved under this section shall be countersigned by a licensed physician.

(c) Holding Out As Licensed. Physicians approved under this ~~S~~section shall not hold themselves out as possessing any type of license to practice medicine in this state.

(d) Appeal from Termination. Within 90 days of receipt of a timely appeal filed pursuant to Section 2111(e) of the code, the Division shall issue a written decision granting or denying the appeal, which shall be served on the individual and the dean of the medical school.

NOTE: Authority cited: Section 2018, Business and Professions Code. Reference: Sections 2005 and 2111, Business and Professions Code.

3. Adopt section 1326 in Article 7 of Chapter 1, Division 13, to read as follows:

1326. Section 2113--Registration of Foreign Trained Physicians for Faculty Positions in Approved Medical Schools.

(a) Application. Pursuant to Section 2113 of the code, a foreign trained physician who seeks registration to engage in the practice of medicine incident to and a necessary part of the physician's duties in a full-time faculty position in an approved medical school shall submit a written application that includes the following:

(1) The applicant's name, including all names used, address, telephone number, Social Security number or federal identification number, e-mail address (if available), and photograph.

(2) Documentation that the requirements of Section 2113(a) and (b) of the code have been met and that the applicant is not subject to denial under Section 480 of the code.

(3) A certification under penalty of perjury as to the contents of the application and any attachments thereto, signed and dated by the applicant and by the dean of the medical school.

(4) The fee specified in section 1351.1.

(b) Licensure Plan. For purposes of Section 2113(d) of the code, a plan demonstrating the registrant's continued progress toward licensure shall be deemed sufficient if it establishes a critical path, complete with identified milestones, milestone dates and key events, that the registrant is expected to complete. Any plan submitted to the Division shall include a signed acknowledgement by the registrant that he or she has received and reviewed a copy of the plan.

(c) Signed Statement. The requirement in Section 2113(g) of the code for a "signed statement" shall be deemed to have been met if the required statement is included as part of the standard authorization for treatment form signed by the patient at time of registration with or admission to a clinic or hospital.

(d) Appeal from Termination. Within 90 days of receipt of a timely appeal filed pursuant to Section 2113(h) of the code, the Division shall issue a written decision granting or denying the appeal, which shall be served on the individual and the dean of the medical school.

NOTE: Authority cited: Sections 2018, Business and Professions Code.
